

>> gentle caressing shower

Niagara® is hand held shower which caresses you with soft shower. Head contains 165 holes for special shower experience. Unique design allows incredibly pleasant cascading shower regardless of water pressure.

Space-age thermoplastic material is virtually unbreakable. Absolutely maintenance-free design is impervious to corrosion, lime and scale buildup.

Easy to install by hand without tools. Simple to use - no dials or buttons to fumble with - just pleasant cascading shower. Terrific smooth shower with excellent rinsing ability.

Fits all standard 1/2" threads. Comes with mounting hardware and 5-foot non-kink shower hose. Custom packaging to suit your needs.

Niagara® shower head is also available with integrated push-button shut off valve for even greater water savings.

>> Better by Design

Elastic jets ensure that the hard water build-up never becomes an issue again. If the jet gets clogged all you need to do is rub it with your fingers and wash off the debris. That's it! Simple and effective.
